

# Get Involved in Your Child's Care!

Your child's health and safety are important! The Missouri Department of Health and Senior Services is asking for your feedback on the State's Child Care Regulation existing rules. The first set of rules identified for revision is the group home/center child care rules (19 CSR 30-62.010 – 19 CSR 30-62.230).

**You are invited to attend one of the following focus groups:**
